

Every year, September is celebrated as World Alzheimer's Month and this year's theme is "Remember Me- Early Diagnosis will help be live well for longer"

On this occasion , ARDSI,Guwahati Chapter organized a Drama "Antaryuddha" showcasing the inner conflict of a son torn between his responsibilities towards his father suffering from Dementia and his own wife.This Drama helped people understand some of the early symptoms of the disease and its disastrous impact upon the caregivers.
